## *Gail's Legacy Gift to Turtles*

We would like to acknowledge the generous bequest received in 2017 from Gail Grace Christie. Gail's legacy gift has made a significant impact on our work, enabling OTCC to take on additional 1000 square feet of space for an expanded intensive care unit. We are sincerely grateful to Gail and her family for their inspiring commitment to turtle and wetland conservation.

*OTCC's work is made possible through the contributions of individual donors, foundations, corporate partners and organizations. We are deeply grateful for your generosity.*
